

Amwell makes it easy to get the care you need.

Using Amwell you can visit with a doctor, therapist, or psychiatrist through live video using your smartphone, tablet or a computer. It's an easy way to get the care you need whether you're at home, work or on the go. Sign up for free today at Ascendant.Amwell.com or download the Amwell app so you can:

- Visit with a doctor 24/7: Doctors can assess your condition and send prescriptions, if needed, to the pharmacy you select. It's a great option when you have a cold, cough, fever, pink eye and more!
- Select your Doctor: Prior to your visit, you will see a list of providers including details on specialty, education, years of experience, and languages spoken.
- Prescriptions: Amwell doctors send prescriptions, when needed, to the pharmacy of your choice.
- Talk to a Therapist or Psychiatrist: Schedule a visit to talk with a therapist or psychologist online to get talk therapy support. You can also meet with a psychiatrist in 14 days or less to receive medication management for behavioral health conditions.
